Bruſſels, Dec. 28.

M. Geldermalſen and Gockinga arrived here from Antwerp on the 20th, and returned to that Place on the 26th Inſtant. They were ſeveral times in Conference with the Imperial Miniſter about the Artillery and Stores of War belonging to the States General, which are in the Towns to be given up to the Emperor, and which his Imperial Majeſty deſires may be left in thoſe Towns for his Service. The foreſaid Miniſters are very near agreed on the Prices to be paid for the ſaid Artillery and Stores of War; and 'tis not doubted, but that Point will be concluded at their next Meeting, which is to be after the Holy-days, either at this Town or at Antwerp. The Imperial Miniſter and the ſaid Deputies had ſome time ago agreed to ſend two Ingeniers to take an exact Map of the Lands given in Propriety by his Imperial Majeſty to the States General, for an Extenſion of their Limits in Flanders, the better to enable them to aſcertain the Sum their High Mightineſſes are to allow out of the annual Subſidy, as an Equivalent for the Revenues of thoſe Lands; but for ſome Reaſons that Survey is deferred, till the Ratifications of the Barrier-Treaty are exchanged. Letters from Liege of the 26th Inſtant ſay, that 400 Men of the Troops in the Service of the States General marched into the Citadel of that Place on the 25th, to reinforce their Garriſon; from which they conjecture, that their High Mightyneſſes are reſolved not to begin the Demolition of that Citadel, before the Elector of Cologne has given them Satisfaction in Relation to Bon.

St. *James, Dec.* 23. His Majeſty has been pleaſed to nominate the Right Reverend Father in God William Lord Biſhop of Lincoln, to be elected Archbiſhop of Canterbury: And the Congé d'Elire to the Dean and Chapter of that Metropolitical Church, is preparing to paſs the Seals accordingly.

His Majeſty has been pleaſed to appoint Conyers Darcy and Francis Negus, Eſqs; to be Commiſſioners for executing the Office of Maſter of the Horſe.

His Majeſty has been pleaſed to appoint Joſeph Addiſon and John Moleſworth, Eſqs; to be Commiſſioners for Trade and Plantations.

Whereas His Majeſty has been pleaſed to order the Right Honourable the Lords Commiſſioners and others, for the Affairs of Chelſea Hoſpital, to examine into the Pretenſions of Officer's Widows, which Order has been already publiſh'd in the Gazette, for the time prefix'd for the ſaid Examination, which expired the 20th Inſtant: And whereas ſeveral Widows belonging to the following Regiments, whoſe Names are affixed againſt the ſaid Regiments, have not appear'd according to the ſaid Order to make out their Pretenſions or Titles to their Penſions, viz.
